ಮರಳಿ ಮಲೆನಾಡಿಗೆ – Back to where it all began!

Dear Colleagues.

The Karnataka Urology Association was established in the year 1996 at Shivamogga. The State Urologists aspired to have an Association for more than a decade. One day, Dr. Dhanya Kumar received a phone call from Dr. Venkatesh Krishnamoorthy and others proposing to hold the first meet at Shivamogga, as it was a central and convenient location that to within six weeks. He accepted it as a one-man army without hesitation. Mr. Benakappa, the managing trustee of Nanjappa Hospital, accepted to be the patron and extended all possible help. With only a single letter communication and short notice there was overwhelming response from all urologists. It was a day and a half program at the Nanjappa Hospital the venue followed with a farmhouse banquet. It was more like a family meet. Some of the seniors who could not make it, expressed their happiness and eagerness to participate in the future.

To express solidarity, Dr. Dhanya Kumar was unanimously elected the first president and Dr. Venkatesh Krishnamoorthy as the Honorary Secretary. Even today, the delegates cherish the good memories.

We want this year's KUACON to be most memorable and enjoyable. To ensure that we have planned a lovely trip to jog falls, along with a good blend of academics and entertainment.

The conference is being held in Kimmane Luxury golf Resort at Shivamogga.

We look forward to your gracious presence with family

KUACON-2023 ORGANISING COMMITTEE

Dr. Kumar Prabhu M.
President KUA

Dear KUA members,

Warm greetings from the KUA Council 2022-23,

I was an honor to serve as president of KUA. During my term, I had opportunity to go around various parts of Karnataka for KUA academic activities and we also had first time KUA- IPL cricket match which saw fitness and sportsmanship of our members.

I welcome you all to the 28th KUACON at Kimmene Luxury Golf Resort, Shivamogga to be held between 3rd and 5th November. The tag line of this year KUACON is ಮರಳಿ ಮಲೆನಾಡಿಗೆ, that is, we are returning to the place where the first KUACON was held in the year 1996. The local organizers have been preparing tirelessly so that all delegates will have good academic and memorable conference. Please come with your family so that we can enjoy Jog falls trip and visit to other local Malnad places.

I also thank KUA council members for their valuable support.

Jai Karnataka

Regards,

Kumar

Dr Kumar Prabhu M,

President KUA

Dr. Narendra J.B.
Hon. Secretary KUA

Dear KUA Members

Warm greetings from the KUA Council 2022-23,

I welcome you all for 28th KUACON2023 at Kimmane Luxury Golf Resort, Shivamogga to be held between 3rd and 5th November, the place where first KUACON was held in the year 1996.

As Hon. Secretary, I am committed to make use of this platform for various academic activities throughout the year.

This year we conducted 6 programs in all the regions of Karnataka so that all the members get equal opportunity to exhibit their academic excellence. This year KUA Council introduced sports activity as cricket tournament including 5 teams from Karnataka which was very successful. We plan to have such sports activities in the future also.

The local organizing committee of Shivamogga is putting their best efforts to make this conference a good blend of scientific content and turn it into a memorable event.

I also thank KUA council members for their valuable support.

Jai Hind

Jai Karnataka

Warm Regards

Dr. Narendra J. B.

Hon. Secretary KUA

Dr. Dhanyakumar.B
Organising Chairman

It is my great pleasure to be the chairman of the 28th KUACON organizing committee. I recollect my sweet memories of the first conference held in 1996, a one man show held at Nanjappa Hospital. The other office bearer was my wife Dr. Yashoda who proposed the vote of thanks. Mr. Benakappa, the managing director of Nanjappa Hospital on behalf of the trust hosted the whole event. The local professional colleagues whole heartedly backed me for the conference. I am sure the then delegates cherished the sweet memories even today. It is rather difficult to imagine infrastructure and other logistics available at Shivamogga those days. The connectivity to Shivamogga has tremendously improved by road, train and today by air. Only two AC rooms were available then and I had to force the caterer to purchase cups and saucers to serve coffee and tea!

With all the short comings, the state urologists' great desire and enthusiasm to start the state unit was responsible for successful and memorable beginning of KUA. I should remember and thank all my fellow urologists, especially Dr. Venkatesh Krishnamoorthy who stood behind me and encouraged to hold the event with short notice of 4-5 weeks. Only one communication was written to all urologists and readily they all participated as Shivamogga was central and non controversial place where the KUA took birth.

Today after 28 years the whole scenario of Shivamogga has changed. There are 14 urologists practicing and the best part is their harmony, unity and solidarity is in hosting 28th KUACON.

Today Shivamogga has two medical colleges and a good number of multispecialty and corporate hospitals and diagnostic centers.

All of us had the fond desire of hosting the silver jubilee 25th conference at Shivamogga but true to the saying "man proposes and God disposes", the onset of COVID epidemic, shattered our dreams. Fortunately enough the same spirit and enthusiasm is carried on to the 28th KUACON by our Association of urologists of Shivamogga wherein they are turning out their best efforts to make the event memorable.

There are good and comfortable star hotels, clubs, resorts and beautiful venues to host the conference and to provide good hospitality. The tourism department has projected many hidden tourist places in and around Shivamogga. It would be memorable for the delegates to participate with members of their family and enjoy the holidays and academic activities.

Once again I request all the delegates, family members, invitees and pharma industries participating in the 28th KUACON to enjoy and cherish the sweet memories of our hospitality.

Long live KUA

Dr. Dhanyakumar.B
Organising Chairman

Dr. Jagadeesh T.S.
Organising Secretary

Dear Esteemed KUA Members,

I extend warm greetings from the Association of Urologists of Shimoga (AUS).

It is with immense pleasure that I invite you all to "The 28th KUACON" scheduled to take place on the 3rd, 4th, and 5th of November at the Kimmane Luxury Golf Resort in Shivamogga.

The local organizing committee, diligently represented by AUS, is dedicated to ensure a conference of great academic value and cherished memories for all attendees.

We extend our invitation to all KUA delegates to join us with their families, providing an opportunity to explore the beauty of the region, including a complimentary delightful trip to Jog Falls. There many more captivating tourist destinations in the Malnad area one explore at will.

I also thank the KUA Council and AUS members for their invaluable guidance and support in making this event possible.

Jai Hind, Jai Karnataka!

Warm regards,

Dr. Jagadeesh T.S.

Organising Secretary
