

KUACON
MANGALURU 2018

KUA President's Message

Dear members,

Warm greetings to all of you. The year 2018 has been a great one for our association. We had a host of academic events held across the state. The mock exam was also very successful and well attended.

I am very happy to have a dedicated council and you, members, who take pride in participating and conducting various KUA activities. The 23rd Annual Conference will be a big event and I am glad to inform you that it will be held from 2nd to 4th November 2018 at Mangaluru. The entire Mangalore Urology Forum along with Dept of Urology, A J Institute of Medical Sciences have geared up for this event and will strive hard to make it a memorable one. We have also planned a pre-conference workshop, which I feel will immensely benefit post graduates and junior consultants.

I take pride in welcoming you all to this forthcoming conference of KUA. I also wish the organizing team all the best for the successful conduct of this event. Let us all join together for this academic feast and fun at the beautiful city of Mangaluru.

Your's sincerely

Dr. S. B. Patil

President, KUA
