

## BMC BEST POSTER PRIZE PROTOCOL

This annual competition is open to any member of KUA, full or associate, and post graduates in Urology (M.Ch or Dip N B). The poster must be in the field of Urology or any ancillary discipline, contributing to the practice of Urology. The material being presented in the poster should not have been presented at any other forum in the form of a publication, paper presentation, poster or video etc. The poster should preferably be the work of one author or department and written by them. In case of collaborative work, a certificate from the others, stating the author's major contribution should accompany the paper. All posters to be considered for the award should specify that the poster is for the Bangalore Medical College Best Poster prize. The abstracts of the poster, must reach the office of the Secretary of KUA, before the last date. The poster size should be 4x3ft if in physical form or an e poster as per the conference rules and a podium presentation also has to be done.

The selection for the podium presentation will be done based on a rank list after a preliminary screening process, where the papers will be sent by the Secretary to 4 independent reviewers, by a blinded process.

Evaluation sheets will be given to the 3 judges to select the winner based on objective criteria. No judge should be from the same institute as any of the candidate.

The Secretary/Council member will total the evaluation sheets separately after the session to select the winner.

The winner will be awarded a certificate and cash prize of Rs 5,000 during the inaugural ceremony of the next conference.

Abstract screening, marks 10-100
