

MANIPAL BEST PUBLISHED PAPER AWARD

This award is given for the best published paper during the period preceding every Annual Conference of KUA. Copies of the published paper should be submitted to the Secretary of KUA before the last date for consideration of the Award.

Selection Criteria: For one publication. (Add for more than one). Maximum Marks Publication in International journals: 50 Publication in National journals: 40 Publication in Regional journals: 30 Additional points if the above journal is indexed: 20 Additional points for original article / research paper / innovation / ideas. The first author and corresponding author is eligible for the Award. However a co-author will be considered for the Award if he submits a No-Objection Certificate from the fellow authors.

The judging committee will be President, Secretary and HOD, KMC Manipal for selection of the winner.

Papers accepted for publication will not be considered for the Award unless they are present in the published journal during the above period. In case of equal marks obtained by more than one candidate, the judging committee will decide the winner of the award based on the quality of the paper and preference will be given to a Urology subject journal. If there are no suitable publications, the award will not be made during that year.

The winner will be awarded a Certificate of Honor or Memento during the inaugural ceremony of the current conference.
